Buckhorn Dec. 29 1879.

MR. EDITOR COLUMBIAN.

Dear Sir:—Being a constant reader of your valuable paper and noticing items from most localities except the village that derived its name from the Buck's horn, I take this privilege to note a few things. On the 18th in the Lutheran church, Miss Clara E. Hartman, and Mr. Frank Bomboy, were united in the Holy bonds of matrimony by the Rev. Sharretts. Miss Maggie Ohl acting as bride's maid, and Mr J. W. Hartman as groomsman, the party marching into the church to the wedding march, played by Miss Dora Hartman. After the ceremony and congratulations of the friends, of which there seemed to be no end, the church being filled, the party left for Sunbury. May their years be many and pleasant is the wish of all.

The entertainment held in the M. E. Church on Christmas eve was a decided success, the admission was low but the house full, the trees were large and they, too, were full of presents, "Santa" was there in the heighth of his glory. Proceeds $21,12, expenses $3,05. Much of the success was due to Misses Hattie Vanderslice, and Kate Shoemaker, the energetic teachers of our school's. Our minister Rev. A. M. Brittain received the inevitable turkey. He by the way is preaching in his 71st year this being his 50th year in the ministry, and 'Ye Buckhorners' think the longer the better. He will commence his protracted meeting here on Wednesday at 9 o'clock, to watch the Old Year out and the New Year in.

More Anon,

TEACHER.

The Reason Why.

The tonic effect of Kidney-Wort is produced by its cleansing and purifying action on the blood. Where there is a gravelly deposit in the urine, or milky, ropy urine from disordered Kidneys, it cures without fail. Constipation and Piles readily yield to its cathartic and healing powers.

—A beautiful young gentleman of Galena, Ill., made love to the reigning belle of Jamestown, Wis., and carried off the prize—or thought he had done so. But although the wedding day was named, and the wedding ring bought and the wedding stationery ordered and sent out to the neighbors, relatives and friends, there was the usual slip 'twixt cup and lip. One of the dainty invitations was sent to Josh Calvert, a rival from Fairplay. He lost no time in idle repinings, but harnessed a fast horse, drove to the lady's house, carried her to an adjacent village and married her then and there. The rejected bridegroom, who had gummed his last postage stamp to the last invitation to his wedding is the maddest man in the Mississippi Valley.

High Priced Butter.

Buyers pay the highest for "gilt-edged butter," but want every tub to be of an even, bright color. They recommend their patrons to use only Wells Richardson & Co,'s Perfected butter color, and it is the most reliable known, and will give a perfect color. It received the only reward at the International Dairy Fair for "superior purity, strength, perfection of color and permanence.

Do not be humbugged by buying some of the cheap works entitled, 'Life and Travels of General Grant,' but get a copy of J. T. Headley's work upon this tour.

Why are You Bilious?

Because you have allowed your bowels to become costive, and liver torpid. Use Kidney-Wort to produce a free state on the bowels, and it will stimulate the liver to proper action, cleanses the skin of its yellowness, cures bilious headache, and causes new life in the blood. Druggists have it.

Hon. Robert Klotz, our member of Congress, recently sent a large number of public documents to his constituents in this county.

A stout backbone is as essential to physical health as to political consistency. For weakness of the back and disorders of the liver and kidneys, the tonic and moderate dietetic action of the Bitters is the one thing needful. IMPORTANT LETTER

From a Distinguished Physician.

NO single disease has entailed more suffering or hastened the breaking up of the constitution than Catarrh. The sense of smell, of taste, of sight, of hearing, the human voice, the mind, one or more and sometimes all yield to its destructive influence. The poison it distributes throughout the system stocks every vital force, and breaks up the most robust of constitutions. Ignored because but little understood by most physicians, impotently assailed by quacks and charlatans, those suffering from it have little hope to be relieved or it, this side of the grave. It is true, then, that the popular treatment of this terrible disease by remedies within the reach of all cannot be a failure, or more competent and trustworthy. The new and liberto married method adopted by Dr. Sanford in the preparation of his RADICAL CURE has wonderfully early approval. I believe it likely to succeed when all the usual remedies fail, because it strikes at the root of the disease, viz., the *scrofula blood*, while it heals the ulcerated membrane by direct application to the nasal passages. Its action is based on certain fixed rules, and unless the vital forces are too far exhausted, must, in the great majority of cases, effect a cure.

GEO. BEARD, M. D.

NORCOTT BLOCK, So. FRAMINGHAM, Oct. 1, 1874.

SANFORD'S RADICAL CURE

MAY safely claim to be one of the few popular remedies that receive the approval of medical gentlemen, who, in many cases, use freely or prescribe it in their families in preference to any of the preparations usually prescribed by physicians.

"Its merits are rare," said a distinguished city physician, "that my obligations to the Mass. Medical Society are such, that I am justly recreant for not urging the Radical Cure; but since I received so much relief from the use of it myself, after a thorough trial of the usual remedies, and since I have witnessed its use, and from one I have sent to your store no less than one hundred of my patients forth."

We are not in the habit of recommending patent medicines, but if any preparation merits the words of thousands, and if we think those afflicted with catarrh convinced of its merits that its enabling will be relieved, we have been in the right business for the past two years, as a specific and positive remedy for Catarrh, but yours leads all the rest. If you can show proper you can use this letter or any part of it, if you wish.

Very truly yours,

UNIVERSAL SATISFACTION.

GENTLEMEN:—We have sold SANFORD'S RADICAL CURE for nearly one year, and can say confidently that we never sold any similar preparation that gave such universal satisfaction. We have to learn the first complaint. d

COLLINS' VOLTAIC PLASTER

An Electro-Galvanic Battery combined with a highly Medicated Strengthening Plaster, forming the best Plaster for pains and aches in the World of Medicine.

ELECTRICITY

As a grand curative and restorative agent is not equalled by any element or medicine in the history of the healing art. Unless the vital spark has fled the body, restoration by its use of electricity is possible. It is the last resort of all physicians and has rescued thousands, apparently dead, from an untimely grave. When no other means can be procured it can be procured. This is the leading curative element in this Plaster.

BALSAM AND PINE.

The healing properties of our own fragrant balsam and pine and the gums of the East are too well known to require description. Their grateful, healing, soothing, and strengthening properties are found in no other plaster. When combined in accordance with late and important discoveries in pharmacy, their healing and strengthening properties are increased tenfold. In this respect our Plaster is the best in use without the aid of electricity.

TWO IN ONE.

Thus combined we have two grand medical agents in one, each of which performs its function and unitedly produces more cures than any liniment, lotion, wash or plaster ever before compounded in the history of medicine. Try one. PRICE, 25 CENTS.

Sold by all Wholesale and Retail Druggists throughout the United States and Canadas, and by WEEKS & POTTER, Proprietors, Boston, Mass.

KIDNEY-WORT

The Only Remedy THAT ACTS AT THE SAME TIME ON THE LIVER, THE BOWELS, and the KIDNEYS.

This combined action gives it wonderful power to cure all diseases.

Why Are We Sick?

Because we allow these great organs to become clogged or torpid, and poisonous humors are therefore forced into the blood that should be expelled naturally.

BILIOUSNESS, PILES, CONSTIPATION, KIDNEY COMPLAINTS, URINARY DISEASES, FEMALE WEAKNESSES, AND NERVOUS DISORDERS,

by causing free action of these organs and restoring their power to throw off disease.

The Best Remedy Known to Man!

Dr. Clark Johnson having associated himself with Mr. Edwin Eastman, an escaped captive, long a slave to Wakametkla, the medicine man of the Comanches, is enabled to send his aid to the general introduction of the wonderful remedy of that tribe.

The experience of Mr. Eastman being similar to that of Mrs. Clinc. Jones and son, of Washington Co., Iowa, an account of whose sufferings were thrillingly narrated in the *New York Herald* of Dec. 15th, 1878, the facts of which are so widely known, and so nearly parallel, that but little mention of Mr. Eastman's experiences will be given here. They are, however, published in a neat volume of 300 pages, entitled, "Seven and Nine Years Among the Comanches and Apaches," of which mention will be made hereafter. Suffice it to say, that for several years, Mr. Eastman, while a captive, was compelled to gather the roots, gums, barks, herbs and berries of which Wakametkla's medicine was made, and is still prepared to provide the raw materials for the successful introduction of the medicine to the world; and assures the public that the remedy is the same now as when Wakametkla compelled him to make it.

Wakametkla, the Medicine Man

BENSONS CAPCINE POROUS PLASTER

That the public may be protected against Imitations and Fraud we specially caution all purchasers of BENSON'S CAPCINE POROUS PLASTER to see that the word CAPCINE on each plaster is spelled correctly. Do not allow some other plaster to be palmed off under similar sounding names, with the assurance that it is the same thing or as good. Bear in mind that the only object such vendor can have is the fact that they can buy imitations at half the price of the genuine, and they hope by this substitution to gain a small additional profit.

THE SUN FOR 1330.

The Sun will deal with the events of the year 1880 in its own fashion, now pretty well understood by everybody. From January 1 until December 31 it will be conducted as a newspaper, written in the English language, and printed for the people.

As a newspaper the Sun believes in getting all the news of the world promptly, and presenting it in the most intelligible shape—the shape that will enable its readers to keep well abreast of the age with the least unproductive expenditure of time. The greatest interest to the greatest number—that is, the law controlling its daily make-up. It now has a circulation very much larger than that of any other American newspaper, and enjoys an income which it is at all times prepared to spend liberally for the benefit of its readers. People of all conditions of life and all ways of thinking buy and read the Sun; and they all derive satisfaction of some sort from its columns, for they keep on buying and reading it.

In its comments on men and affairs, The Sun believes that the only guide of policy should be common sense, inspired by genuine American principles and backed by honesty of purpose. For this reason it is, and will continue to be, absolutely independent of party, clique, organization, or interest. It is for all, but of none. It will continue to praise what is good and reprobate what is evil, taking care that its language is fit for decent and plain people, for the possibility of being misunderstood. It is uninfluenced by motives that do not appear on the surface; it has no opinions to sell, save those which may be had by any purchaser with two cents. It hates injustice and rascality even more than it hates unnecessary words. It abhors frauds, pities fools, and deplores uncompoops of every species. It will continue, whether prosperity or pestilence rule the year 1880 to chastise the first class, instruct the second and discountenance the third. All honest men, with honest convictions, whether Democrats or Republicans, are its friends. The Sun makes no bones of telling the truth to its friends whenever occasion arises for plain speaking.

These are the principles upon which the Sun will be conducted during the year to come.

The year 1880 will be one in which no patriotic American can afford to close his eyes to public affairs. It is impossible to exaggerate the importance of the political events which it has in store or the necessity of resolute vigilance on the part of every citizen who desires to preserve the Government that the founders gave us. The debates and acts of Congress, the utterances of the press, the exciting contests of the Republican and Democratic parties, now nearly equal in strength throughout the country, the varying drift of public sentiment, will all bear directly and effective upon the twenty-fourth Presidential election, to be held in November. Four years are next November the will of the nation, as expressed at the polls, as thwarted by an abominable conspiracy, the panders and beneficiaries of which will be put to the vote they stole. Will the crime of 1876 be repeated in 1880? The past decade of years opened with corrupt, extravagant, and insolent Administration wrenched at Washington. The Sun did something worth all-looking the gang and breaking its power. The same men are now intriguing to restore the leader and themselves to places from which they were driven by the indignation of the people. Will they succeed? The coming year will bring the answers to these momentous questions. The Sun will be on hand to chronicle the facts as they are developed, and to examine them clearly and fearlessly in the relations to expediency and right.

Thus, with a habit of philosophical good humor in looking at the minor affair of life, and in great things a steadfast adherence to maintain the rights of the people and the principles of the Constitution against all aggressors, The Sun is prepared to write a truthful, instructive, and at the same time entertaining history of 1880.

Our rates of subscription remain unchanged. For the Daily Sun, a four-page sheet of twenty-eight columns, the price by mail is 55 cents a month, or $6.50 a year; or, including the Sunday paper, an eight-page sheet of forty-six columns, the price is 65 cents a month, or $7.70 a year, postage paid.
